

Tap vs. Bottled

Take the Taste Test, *Earth Day April 22, 2009*

DO YOU DRINK A LOT OF WATER?

COME AND TAKE THE TASTE TEST, AND SEE IF YOU CAN TASTE THE DIFFERENCE BETWEEN TAP AND BOTTLED.

About the Taste Test: *the Stanford community will have an opportunity to blindly taste both bottled and tap water sources. Three water samples will be provided, and you are the judge. This event will highlight the differences in water quality, costs between tap and bottled water, and environmental impacts.*

Location: *White Plaza*

Date: *Wednesday April 22, 2009*

Time: *11:30am – 1:30pm*
